

## Miracle Farm Speech Therapy is Introducing Some Innovative New Programs for Fall 2020!

In response to the changes in preschool, daycare, and education due to the COVID-19 Pandemic, we are looking at safely guided options for children with speech and language needs. The new programs will be held in a newly rented space right next to our Hampton Falls office (previously, a karate studio) and in our large office space in Rowley, MA (currently set up as our gym). The groups will be run with 4-5 children (no more than that, ever) and will be directed by two speech pathologists. We will maintain the same guidelines that we have in place at our regular office spaces. There will be temperature checks, hand washing regimens, masks, and all materials will be sanitized after use. Both spaces have hard wood floors and air purifiers in place. There is a private bathroom in both spaces, as well. Please read the description of our groups below to see if your child would be a good candidate.

### Little Miracles

Welcome to Little Miracles Speech and Language Based Play Group. This group will be for **2-3 year-olds**. The group will focus on social interaction, attention, communication, speech sounds, and sign language. We will also include sensory and movement activities in relation to listening and language. Each week we will focus on a new thematic unit that ties into the season or learning experience. Little Miracles will be held on Tuesdays and Thursdays from **8:30-10:00 AM**. There will be one session in Hampton Falls, NH and one in Rowley, MA.

The ***proposed schedule*** for the group will be as follows:
