# Runamuck Summer Program

Cost: \$650 per child, per week  
\$50 discount for siblings

Miracle Farm Speech Therapy is excited to bring you our RUNAMUCK summer program. This year, again, our program will be held at our office location in Hampton Falls. This space features a large indoor gym and the use of multi-age playgrounds and outside areas on the grounds at Child's Place. Therapeutically driven activities are designed by our SLPs and this program is a great way to ensure continuity of care during the summer months! RUNAMUCK will be staffed with a licensed speech pathologist and multiple speech pathology interns. We can offer 1-1 support for students if we know ahead of time. The program will be set up for a different theme each day during each 5-day session. We aim to give it a "camp" feel in a therapeutic setting with an emphasis on FUN!

Is your child a good fit for our camp? Our camp is for children who need help with.....

Sensory regulation  
Social skills  
Language  
Speech and Communication  
Motor Planning  
Retrieval and Memory  
Asking and Answering Questions  
Attention  
Fine Motor  
Gross Motor  
Oral Motor  
Turn Taking  
Reciprocity  
Problem Solving  
Independence and Self-Help Skills

Please fill out the registration forms for our Runamuck Program on our website at
