SUMMER SPEECH & TEACH

We are back! Summer 2024
Rowley, MA

What is Speech & Teach?

We are a small play group directed by one of our SLP's and an experienced and talented elementary school teacher. It will be offered 2 days a week, each group will be 1 hour and 45 minutes. Each week we will focus on a fun summer theme! There will be approximately 5-6 children in each group. We are offering this program with a "camp" feel, as we offer outside time as well! While we will be working on many goals, the focus will be having fun with peers!

We will be engaging in activities focusing on but not limited to:

- Reciprocal play
- School readiness
- Problem solving
- Social language
- Participating and attending to circle time games and music
- Guided activities to stimulate interest in science, concepts and theme vocabulary
- Introduction to pre-reading, writing, literacy and sign language
- Practice with following directions and sequencing
- Phonemic awareness
