ABOUT OUR PROGRAM

The Runamuck Summer Program is held at our office location in Hampton Falls, NH. The space features a large indoor gym and the use of multi-age playgrounds. Therapeutically driven activities are designed by our SLPs and this program is great for continuity of services during the summer. The program is staffed with licensed SLPs and SLP interns. Our goal is to provide the children with enhanced speech and language practice in a fun, sensory rich, engaging environment.
